### Joe Fresh Bath

The **Joe Fresh Beauty** cosmetics collection is already a winner, and we're betting its new bath lineup makes an equally big splash. Body washes, balms, polishes and mists, plus liquid hand soap in colourful scents like lime, grapefruit, nectarine, marine and lemon are priced between \$2 and \$6. We love the bold hue and juicy nose of the pomegranate group best. **Loblaws**, 10 Lower Jarvis, 416-304-0611, and others, [joe.ca/beauty](http://joe.ca/beauty). ©
